**QUESTION 1**

1. The following information relates to the operations of a company for the year ended 31st December 2018:

- (a) Sales revenue: 1,000,000
- (b) Cost of sales: 600,000
- (c) Selling expenses: 50,000
- (d) Administrative expenses: 80,000
- (e) Depreciation: 20,000
- (f) Interest on bank loan: 10,000
- (g) Dividend received from subsidiary: 15,000
- (h) Profit on disposal of plant: 10,000
- (i) Loss on disposal of investment: 5,000
- (j) Income tax expense: 20,000

Required: Calculate the following:

(i) Gross profit

(ii) Operating profit

ANSWER: (i) Gross profit = Sales revenue - Cost of sales = 1,000,000 - 600,000 = 400,000

**QUESTION 2**

(ii)

Operating profit = Gross profit - Selling expenses - Administrative expenses - Depreciation = 400,000 - 50,000 - 80,000 - 20,000 = 250,000

(ii) Operating profit = 250,000

**QUESTION 3**

Operating profit = 250,000 + Interest on bank loan - Dividend received from subsidiary + Profit on disposal of plant - Loss on disposal of investment - Income tax expense = 250,000 + 10,000 - 15,000 + 10,000 - 5,000 - 20,000 = 230,000

Operating profit = 230,000

1. The first part of the document discusses the importance of maintaining accurate records of all transactions and activities. It emphasizes that proper record-keeping is essential for transparency and accountability, particularly in the context of public administration and financial management.

2. The second part of the document outlines the various methods and tools used for data collection and analysis. It highlights the need for standardized procedures to ensure the reliability and validity of the information gathered, and discusses the challenges associated with data integration and interpretation.

### 3. Data Analysis and Interpretation

The third part of the document focuses on the process of analyzing the collected data to identify trends, patterns, and key findings. It discusses the use of statistical techniques and data visualization tools to present the information in a clear and accessible manner.

### 4. Reporting and Communication

The fourth part of the document addresses the importance of effective communication and reporting. It discusses the need to tailor the information to the intended audience, ensuring that the findings are presented in a way that is both informative and actionable. It also touches on the role of communication in building trust and transparency.

### 5. Conclusion and Recommendations

The fifth part of the document provides a summary of the key findings and offers recommendations for future research and practice. It emphasizes the need for ongoing evaluation and improvement of the data collection and analysis process to ensure its continued effectiveness and relevance.

### 6. Appendix

The sixth part of the document contains supplementary information, including detailed data tables, charts, and additional analysis. This section provides a more in-depth look at the specific data points and the methods used to derive the conclusions presented in the main body of the report.

### 7. References

The seventh part of the document lists the sources of information used in the research and analysis. It includes references to academic journals, books, and other relevant documents, providing a clear path for readers who wish to explore the topics in more detail.

**QUESTION**

1. A company has a current ratio of 1.5 and a debt-to-equity ratio of 0.5. If the company's current assets are \$100,000, what are its current liabilities and total debt?

**ANSWER**

Current liabilities = \$150,000  
Total debt = \$75,000

**QUESTION**

2. A company's operating profit is \$200,000, its interest expense is \$50,000, and its tax expense is \$75,000. What is the company's earnings before interest and taxes (EBIT)?

**ANSWER**

EBIT = \$325,000

3. A company's operating profit is \$200,000, its interest expense is \$50,000, and its tax expense is \$75,000. What is the company's earnings after taxes (EAT)?

**ANSWER**

EAT = \$65,000

4. A company's operating profit is \$200,000, its interest expense is \$50,000, and its tax expense is \$75,000. What is the company's earnings before taxes (EBT)?

**ANSWER**

EBT = \$275,000

5. A company's operating profit is \$200,000, its interest expense is \$50,000, and its tax expense is \$75,000. What is the company's earnings after interest and taxes (EAIT)?

**ANSWER**

EAIT = \$150,000

**ARTICLE 5**

These regulations shall be made under the authority of the [illegible] and shall be subject to the affirmative resolution of the [illegible]

**ARTICLE 6**

These regulations shall be made under the authority of the [illegible] and shall be subject to the affirmative resolution of the [illegible]

1. The first part of the document discusses the importance of maintaining accurate records of all transactions and activities related to the business.

2. It is essential to ensure that all financial data is properly documented and organized in a clear and concise manner. This includes maintaining separate accounts for different departments or projects.

3. Regular audits and reconciliations should be performed to identify any discrepancies or errors in the records. This helps to ensure the accuracy and integrity of the financial information.

4. The second part of the document provides a detailed overview of the company's financial performance over the past year. This includes a breakdown of revenue, expenses, and profit.

5. The financial statements show a steady increase in revenue over the period, which is a positive sign for the company's growth. However, there is a concern regarding the increase in operating expenses, which has led to a decrease in net profit.

6. The management team has identified several key areas for improvement, including reducing overhead costs and increasing operational efficiency. These measures are expected to help improve the company's financial performance in the coming year.

7. The document concludes with a summary of the key findings and recommendations. It is recommended that the company continue to focus on cost reduction and operational improvements to achieve its financial goals.
